6 November 1961

MEMORANDUM FOR : Chief, Development Branch, DFD-DO/P

SUBJECT :  RAD Supervision

1. Attached is a recommended concept for conduct of test operations .

2. In line with this plan and the use of minimum numbers of persons to accomplish the DFD mission, it is suggested that abolishment of the position to which I am assigned be considered and the functions transferred to the DFD Field Office . A greater degree of gainful employment of my services could be gained through on-site participation in the test phase and as a mission pilot at such time as the equipment becomes operational.
